A black and white French Bulldog is sitting inside a light-colored wicker basket. The dog is looking directly at the camera with its large, upright ears. The basket is placed on a dark, tiled floor. A semi-transparent blue horizontal band is overlaid across the middle of the image, containing white text.

Our mission is to provide compassionate care to animals through adoptions, education, crisis intervention, and community involvement because we believe every animal, child, and community deserves a chance.

Those eyes belonged to pets that just lost an owner or saw their owners move

away suddenly.

In recent years, the CRP members reached out to city employees and residents and were able to give birth to Chance Shelter. Less than a year old, the non-profit is

providing foster homes for displaced pets, forging bonds with community groups and putting together fundraising drives that also benefit organizations well beyond
